

ABT Sportsline 2019 – press release CW18 **STRIDER 11 ABT SPORT MASTER at the Versilia Yachting Rendez-Vous**

Earlier this year, **ABT Sportsline** introduced the **STRIDER 11 ABT SPORT MASTER LIMITED EDITION** sports speedboat to the public at the BOOT exhibition in Düsseldorf. Now the **STRIDER 11 ABT** will be presented again, this time at the Versilia Yachting Rendez-Vous. The open-air event for high-end yachts and boats will take place from May 9 to 12 in Viareggio, Italy. Located on the coast of the Tyrrhenian Sea, this Tuscan port city will allow the first vessel built by **ABT Sportsline** to be experienced in its natural element. The **STRIDER 11 ABT** will be shown at the booth of boat builder SACS (N09 to N10). The **SPORT MASTER** project was produced in cooperation with SACS. The northern Italian manufacturer for RIB brand boats will also be exhibiting its Rebel 40 model at the Rendez-Vous.

The **STRIDER 11 ABT SPORT MASTER LIMITED EDITION** has an impressive 800 HP (588 kW). This was made possible by the **ABT Power** performance upgrade. With the help of the engine control unit **ABT ENGINE CONTROL (AEC)** the engineers were able to achieve a gain of 60 HP. With a length of eleven meters and a weight of 4.5 tons, the boat is capable of a speed over 50 knots (around 93 km/h). The **ABT Carbon Look Kit** was installed to add a suitable styling. The **ABT Individual** department further refined the interior with the same design philosophy seen in cars built by the Bavarian tuner. The combination of excellent design and technology is what makes the **STRIDER 11 ABT SPORT MASTER** so special. It is a limited edition, with just ten examples planned for production.

ABT Sportsline has set up an email address specifically for interested customers: sacs@abt-sportsline.de. Buyers of this unique vessel can rest assured that every single detail represents style, performance, sports, joie de vivre and speed.

This year marks the third annual Versilia Yachting Rendez-Vous. Last year, more than 22,000 visitors – including 10,000 people working in the industry – came to see the latest trends in the field of yachts and boats. 170 companies presented their products at this open-air exhibition encompassing 110,000 square meters. In addition to yachts and boats from Italian and international manufacturers, the focus also includes individual components and boat accessories. More information can be found at: www.versiliayachtingrendezvous.it/en.
